

HP PROBOOK x360 435 G8

2 in 1 Convertible

BE
PRODUCTIVE
BE
CREATIVE

Quickly turn thoughts into action with the optional HP Pro Pen.¹¹ Naturally annotate, draw, and take notes on-screen with an authentic experience that feels like a real pen.

QUICK PICS AND VIDEOS⁹ AND

Capture the world around you with an optional second camera¹⁰ on the keyboard deck.

STYLISH AND PROFESSIONAL

77% of HR and business managers of SMBs cite outdated systems and technology as their biggest workforce management challenge¹

CONVERTIBLE DESIGN FOR VERSATILITY

CONVERTABILITY

Flip, fold, and work with a 360° hinge that adapts to create, present and collaborate

DURABILITY

Anodized aluminum lid & 3D forged 1-piece aluminum keyboard deck. Designed to pass MIL-STD 810G certification²

WORLD-FACING CAMERA³

Capture the world around you with an optional dual-camera system with a second camera in the keyboard, perfect for taking photos and videos in tablet mode.

HP PRO PEN⁴

Naturally annotate, draw, and take notes on-screen with an authentic experience that feels like a real pen.

WHAT'S NEW

HP PROBOOK x360 435 G8

SUSTAINABILITY
FOCUSED

READY TO MEET THE DEMANDS OF YOUR DAY.

Get through your deadline-driven, multi-tasking day using the latest AMD Ryzen™ 5000 Series Mobile Processors with optional PRO technologies^{3,4} with outstanding graphics performance

BE MORE MOBILE

Enjoy superior battery life – up to 17h as Mobile Mark 18 with modern standby functionality.

BUILT SUSTAINABLY

50% recycled, a hinge cap that is 75% recycled, KB shielding 50% recycled.

SECURITY AT YOUR FINGERTIPS

HP Sure Start Gen6⁶, HP Sure Click¹⁵, HP Sure Sense⁷

MOVE AROUND EVEN MORE

Giving you a lighter weight, less than 1.45kg, 3.19lbs.

HP PROBOOK x360 435 G8

PRODUCT WALKTHROUGH

PRIVACY CAMERA⁹

Discreet privacy shutter toggles on/off for the front facing camera

HYBRID IR/WEBCAM¹¹ (optional)

Combined into a single camera for integrated security

HP SURE VIEW GEN3⁸ (optional)

Up to 1000 nits³⁵

FINGERPRINT SENSOR¹¹ (optional)

Hardened Fingerprint Sensor allows for secure login

ULTRA-LIGHT DESIGN

Starts from:
3.19lbs/ 1.45kgs³³

FAST CONNECTIONS

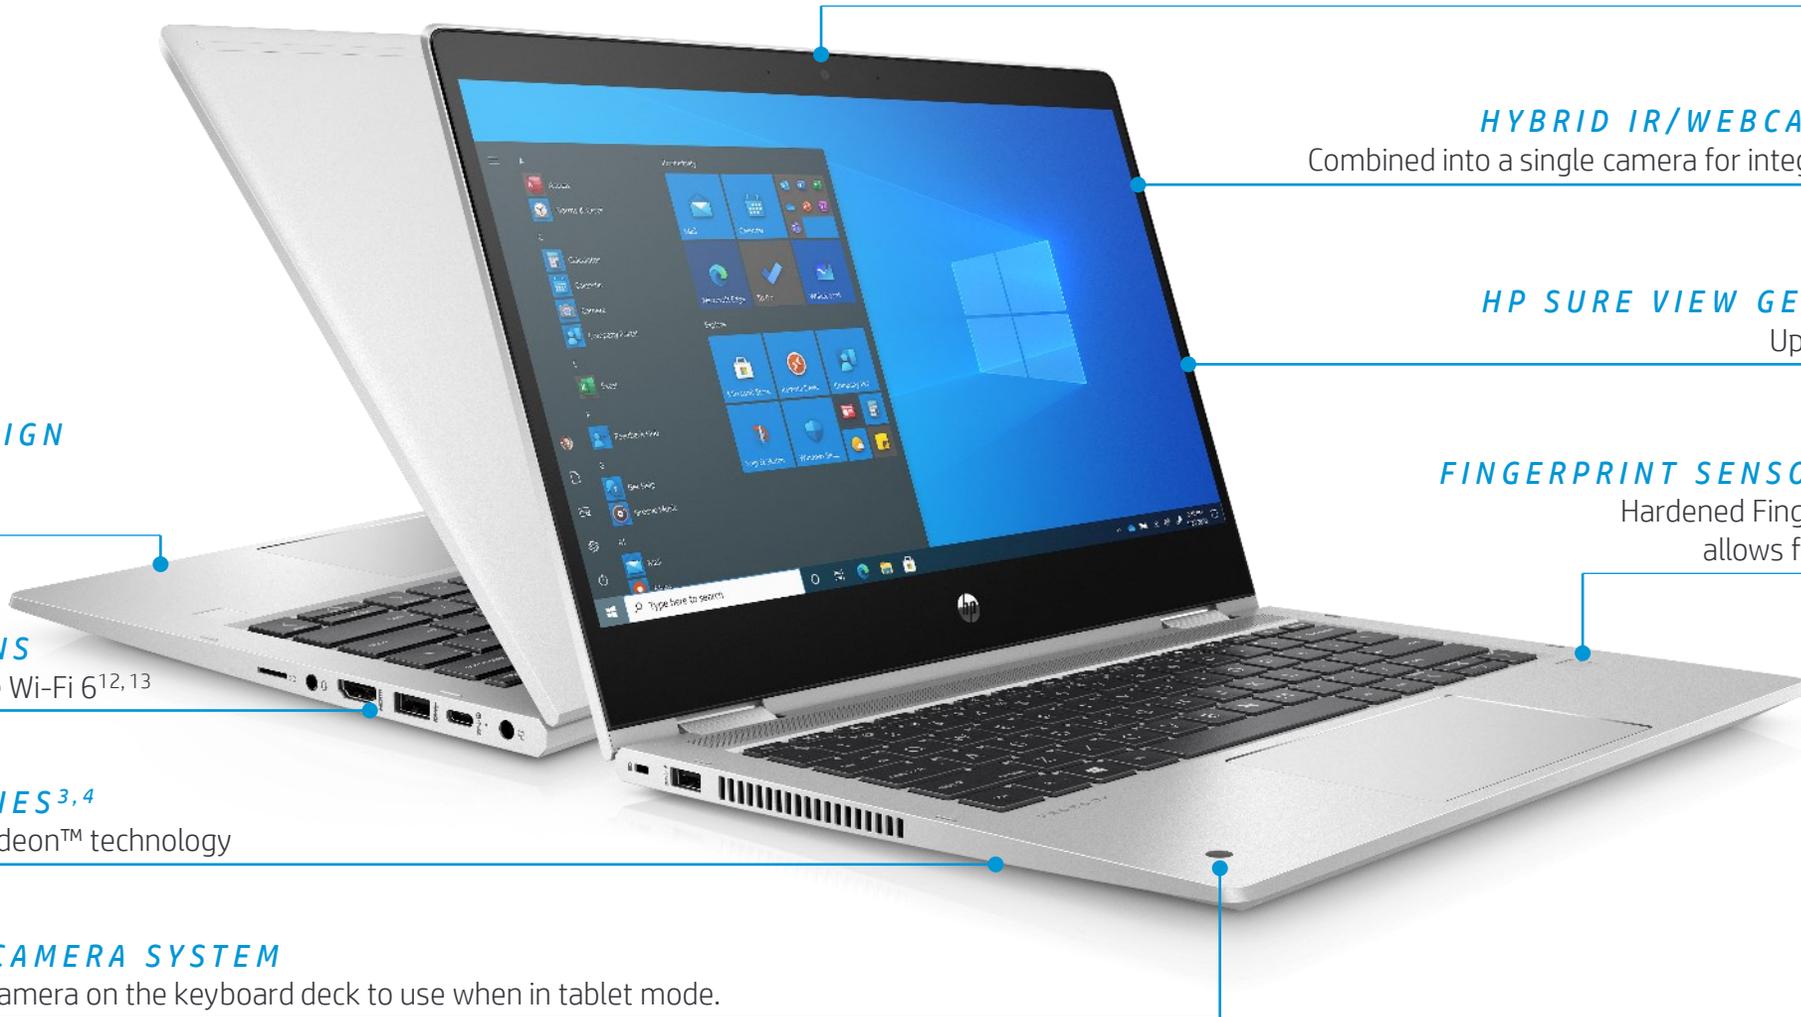

Optional gigabit data rate Wi-Fi 6^{12,13}

AMD RYZEN™ SERIES^{3,4}

Integrated latest AMD Radeon™ technology

OPTIONAL DUAL-CAMERA SYSTEM

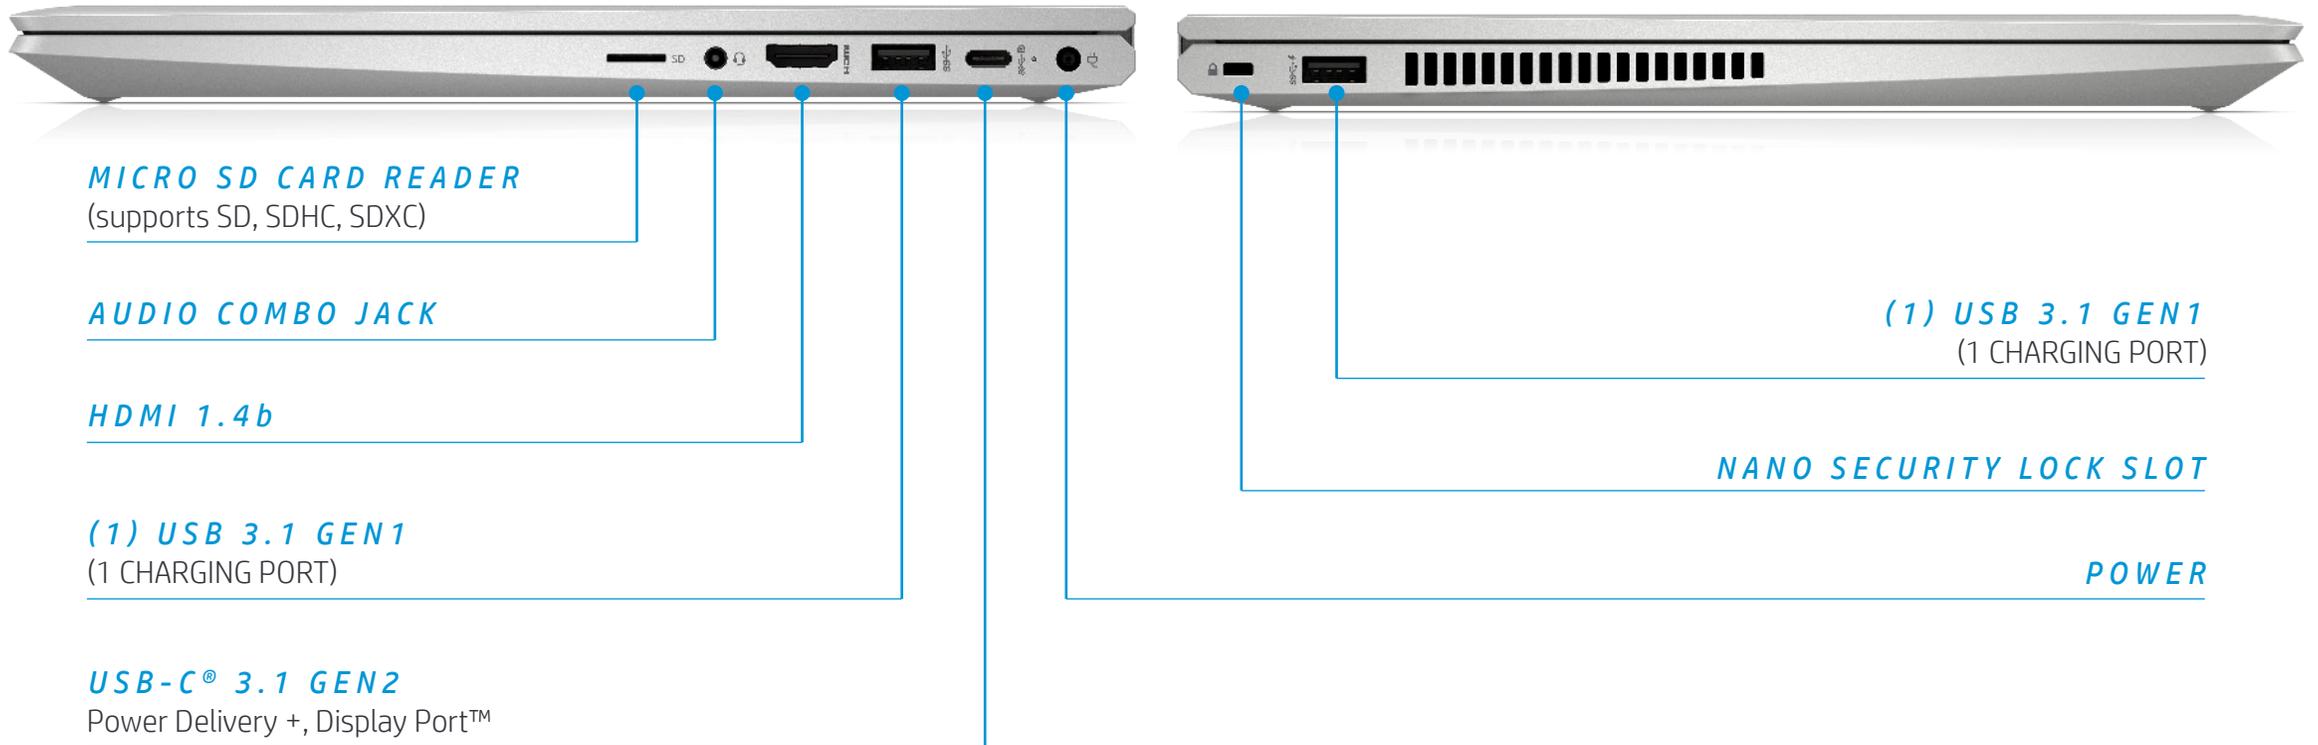

Add an optional second camera on the keyboard deck to use when in tablet mode.

HP PROBOOK x360 435 G8

POWER OF THE PORT

Easily stay connected even when a LAN connection is needed thanks to a built-in RJ-45 port. Connect your devices with USB Type-A ports and enjoy the speed and versatility of the USB Type-C® 3.1 Gen 2 port.

HP PROBOOK x360 435 G8

CONVERTIBLE DESIGN FOR VERSATILITY

POWER AND PRODUCTIVITY

Get through your deadline-driven, multi-tasking day using the latest AMD processors^{3,4} with outstanding graphics performance.

SAFEGUARD DATA AND DEVICES.

Get data and device security for your cloud¹⁷ computing experience, around the office, with a self-healing BIOS from HP Sure Start Gen6⁶. Deter remote camera hacking with the optional HP Privacy Camera⁹ and visual hacking with optional HP Sure View Gen3⁸. Stay secure with HP Client Security Manager Gen6.

PRECISION IN YOUR PALM.

Use the find pen-like and 4096 pressure level to express your creativity; touch only where you intend with integrated palm rejection technology.¹¹

CONVERTIBLE DESIGN FOR VERSATILITY

Enjoy this light ergonomic device, you can open with one-hand, and a quiet click pad and keyboard with rubber dome keys—perfect for working around the office.

MULTI-LAYERED SECURITY PROTECTIONS.

Your growing business requires the protection of a PC with commercial-grade security features. The HP ProBook x360 435 is enhanced with security and privacy from the BIOS up.

Introducing latest 7nm AMD Ryzen™ 5000 Series Mobile Processors with optional PRO technologies³

Long battery life with over 1,000 hours battery life at normal usage, easy to replace with 4A battery

1000-nit³⁵ Sure View Gen3 13-inch diagonal display

HP Extended Range Wireless LAN¹³

USB-C® data + Power + Video

GET
MORE DONE
FASTER
WITH AMD RYZEN™ 5000
SERIES MOBILE PROCESSORS

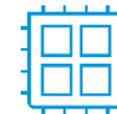

SUPERB GRAPHICS PERFORMANCE

Delivering powerful graphics performance for a smooth experience with multi-media production and video conferencing.

EFFICIENT MULTI-TASKING

Support up to AMD Ryzen 7 so users can work in multiple apps simultaneously.

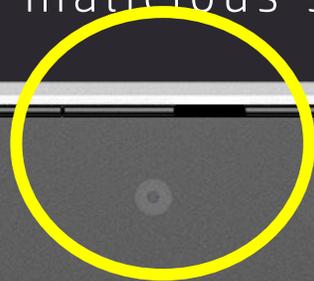

POWERFUL PRODUCTIVITY

In the VDI environment, Ryzen + SSD provides fast system performance so you can get work done quickly.

PRESERVE YOUR PRIVACY

Never wonder if someone is watching you with the added peace-of-mind that comes from the integrated HP Privacy Camera⁹, with a physical shutter to protect from malicious surveillance.

FAST AND EFFICIENT WIRELESS LAN.

Get a fast and reliable connection in dense wireless environments with optional gigabit data rate Wi-Fi 6.^{12,13}

HP PRO PEN ideal for NOTETAKING

Get creative

Sketch, blend, write and navigate on your tablet screen control and astonishing accuracy of the HP Pro Pen

Long battery life time

11.7 months battery life based on active use of 3 hours per day, easy to replace with AAAA battery

Precision in your palm

4096 pressure levels provide a realistic experience to express your creativity; touch only where you intend with integrated palm rejection technology

Spares included

Change out tips as needed with three included spares and handy tweezers

DISCLAIMERS

1. For storage drives, GB = 1 billion bytes. Actual formatted capacity is less. Up to 30GB (for Windows 10) is reserved for system recovery software.
2. For USB-C® functionality, host PC must support the DisplayPort™ Alt mode protocol through its USB-C® port. Thunderbolt™-enabled laptops will function at USB-C® speeds. Charging and port replication is supported on laptops that have implemented USB-C® industry specifications. Power button to turn on or wake the system, Wake-on LAN from warm and cold dock, Wake-on LAN from S4/S5, and MAC Address Pass-Through S0, S3, S4, S5 warm and cold dock features only function on HP or HP-supported laptops. HP does not provide Ethernet and audio drivers on Mac PCs.
3. 8 core, 6 core, and 4 core processors are an optional feature.
4. Multi-core is designed to improve performance of certain software products. Not all customers or software applications will necessarily benefit from use of this technology. Performance and clock frequency will vary depending on application workload and your hardware and software configurations. AMD's numbering is not a measurement of clock speed.
5. HP Easy Clean requires Windows 10 RS3 and will disable the keyboard, touchscreen, and clickpad only. Ports are not disabled. See user guide for cleaning instructions.
6. HP Sure Start Gen6 is available on select HP PCs.
7. HP Sure Sense requires Windows 10 Pro or Enterprise.
8. HP Sure View integrated privacy screen is an optional feature that must be configured at purchase and is designed to function in landscape orientation.
9. HP Privacy Camera only available PCs equipped with HD or IR camera and must be configured at purchase.
10. World-facing camera is an optional feature that must be configured at purchase.
11. Sold separately or as an optional feature.
12. Wireless access point and internet service required and sold separately. Availability of public wireless access points limited. Wi-Fi 6 is backwards compatible with prior 802.11 specs. The specifications for Wi-Fi 6 (802.11ax) are draft and are not final. If the final specifications differ from the draft specifications, it may affect the ability of the PC to communicate with other 802.11ax devices.
13. Based on internal testing vs. previous generation product with 802.11ac wireless LAN module.
14. Based on internal testing vs. previous generation product with 802.11ac wireless LAN module.
15. HP Sure Click requires Windows 10 Pro or Enterprise. See https://bit.ly/2PrLT6A_SureClick for complete details.
16. HP Manageability Integration Kit can be downloaded from <http://www8.hp.com/us/en/ads/clientmanagement/overview.html>.
17. Internet access required and sold separately.
18. Based on US EPEAT® registration according to IEEE 1680.1-2018 EPEAT®. Status varies by country. Visit www.epeat.net for more information.
19. External power supplies, power cords, cables and peripherals are not Low Halogen. Service parts obtained after purchase may not be Low Halogen.
20. Configurations of the HP ProBook x360 435 G7 that are ENERGY STAR® qualified are identified as HP ProBook x360 435 G7 ENERGY STAR on HP websites and on <http://www.energystar.gov>.
21. HP Proprietary Research, 9/2020, n = 345 HR Leaders; US, UK, Australia [HR]
22. Fortune 500 CEO Poll, conducted 4-5/2020
23. HP Proprietary Research, 5/2020, n = 1070 ITDMs; US, Japan, UK [IT POV]
24. HP Proprietary Research, 5/2020, n = 461 ITDMs; US, UK, Australia [IT POV]
25. HP Proprietary Research, 5/2020, n = 1070 ITDMs; US, Japan, UK [IT POV]
26. HP Proprietary Research, 5/2020, n = 416 ITDMs; US, Japan, UK [Remote Meeting]
27. HP Proprietary Research, 5/2020, n = 1070 ITDMs; US, Japan, UK [IT POV]
28. 100% outer box packaging made from sustainably source certified and recycled fibers. Fiber cushions made from 100% recycled wood fiber and organic material. Any plastic cushions are made from >90% recycled plastic.
29. 96.2% recycle-able is based on HP ProBook 445 G7.
30. These features are only available on the Intel based products.
31. HP Total Test Process testing is not a guarantee of future performance under these test conditions. Any accidental damage requires an optional HP Accidental Damage Protection Care Pack.
32. MIL STD testing is not intended to demonstrate fitness for U.S. Department of Defense contract requirements or for military use. Test results are not a guarantee of future performance under these test conditions. Accidental damage requires an optional HP Accidental Damage Protection Care Pack.
33. Weight will vary by configuration.
34. HP Services are sold separately. HP services are governed by the applicable HP terms and conditions of service provided or indicated to Customer at the time of purchase. Customer may have additional statutory rights according to applicable local laws, and such rights are not in any way affected by the HP terms and conditions of service or the HP Limited Warranty provided with your HP Product.
35. Actual brightness will be lower with HP Sure View.
36. Dual channel memory is sold separately or as an optional feature. Due to the non-industry standard nature of some third-party memory modules, we recommend HP branded memory to ensure compatibility. If you mix memory speeds, the system will perform at the lower memory speed.
37. Availability may vary by country.
38. Absolute firmware module is shipped turned off and can only be activated with the purchase a license subscription and full activation of the software agent. License subscriptions can be purchased for terms ranging multiple years. Service is limited, check with Absolute for availability outside the U.S. Certain conditions apply. For full details visit: <https://www.absolute.com/about/legal/agreements/absolute/>.
38. HP Drive Lock & Automatic Drive Lock is not supported on NVMe drives.
40. HP Secure Erase for the methods outlined in the National Institute of Standards and Technology Special Publication 800-88 "Clear" sanitation method. HP Secure Erase does not support platforms with Intel® Optane™.
41. HP BIOSphere Gen5 is available on select HP Pro and Elite PCs. See product specifications for details. Features may vary depending on the platform and configurations.
42. HP Client Security Manager Gen6 requires Windows and is available on the select HP Pro and Elite PCs.
43. HP Driver Packs not preinstalled, however available for download at <http://www.hp.com/go/clientmanagement>.
44. HP Dynamic Audio is coming soon and will be delivered automatically through Windows update or can be downloaded from <https://support.hp.com/us-en/drivers> when available. Requires Windows 10, compatible with internal PC speakers and analog headsets.
45. WWAN is an optional feature, requires factory configuration and separately purchased service contract. Check with service provider for coverage and availability in your area. 4G LTE not available on all products, in all regions.
46. HP Sure Run Gen4 is available on select Windows 10 based HP Pro, Elite and Workstation PCs with select Intel® or AMD processors.
47. HP Sure Recover Gen4 is available on select HP PCs and requires an open network connection. You must back up important files, data, photos, videos, etc. before using HP Sure Recover to avoid loss of data. Network based recovery using Wi-Fi is only available on PC's with Intel Wi-Fi Module.
48. Recharges your battery up to 50% within 30 minutes when the system is off or in standby mode. Power adapter with a minimum capacity of 65 watts is required. After charging has reached 50% capacity, charging will return to normal. Charging time may vary +/- 10% due to System tolerance.
49. The keyboards of the HP ProBook 400 G8 series has been tested to 1,000 wipes to be cleaned with Windex® Original Glass & Surface Wipes and Clorox® Disinfecting Wipes with EPA Registration Number 5813-79. Do not use wipes on other surfaces of the product. See user guide for cleaning instructions.

THANK YOU
